4. Project Planning

Implement Client Script & UI Policy (Incident)

Project Team

Team number: Team 3
Team members include Devi, Lakshmi Praba Chokkalingam, Preethi Ramalingam and Santhiya Saravanan.

Technology

ServiceNow platform, ServiceNow Administration features, JavaScript-based Client Scripts, GitHub.

Planned Milestones

1. Create UI Policy on Incident
2. Create UI Policy Action for Urgency
3. Create onChange Client Script
4. Create onSubmit Client Script for save validation
5. Create onCellEdit Client Script
6. Perform testing

Task Planning

The work is divided into configuration, scripting, testing, documentation and demonstration activities.

Development Approach

Configure each feature step-by-step, validate the result in ServiceNow, capture evidence, and organize the work phase-wise in GitHub.

Deliverables

ServiceNow configuration, screenshots, test evidence, phase-wise PDF documentation, README and demonstration video.
